TYPE OF ACTIONS

 Financial donation	11000 €
 Skills sponsorship	

PERSONS INVOLVED

0 Employees Bouygues	0 Number of volunteering hours	PARTNERS
280 Beneficiaries:		0 Charities/ NGO
Children		0 Partners

DESCRIPTION

Following the 2004 tsunami, the Baan Nam Kem School was rebuilt by ByThai and other French companies. In 2010, Terre Plurielle financed a part of the teachers' salaries. The school, which now welcomes nearly 280 students, is in need of refurbishment, and Terre Plurielle is taking part in the work being carried out to renovate every building's roof.
